Visa-free countries

WHY GERMANY?

Germany passport is considered one of the most powerful in the world. Germany allows foreign investors to apply for a three-year national residence permit. Its strategic location in the centre of Europe makes it an economic powerhouse of the continent. Germany is a modern, safe, cosmopolitan country with a high quality of life. Healthcare, sports and leisure facilities, the countryside and culture are just some of the reasons why Germany has become a country of choice for millions of people.

BENEFITS

The following aspects are the key advantages of the Business Immigration Program:

- German language skills are not a requirement
- No minimum investment amounts
- Applicant does not need a university degree or another qualification
- Family reunification: Right to live, work and study in Germany for the applicant's spouse and children under 18 years
- Application for permanent residence status after three years
- German citizenship after 6 years is possible
- Visa-free travel in the Schengen area

INVESTMENT OPTIONS

- The residence permit for self-employed persons is legislated for by § 21 German Residence Act. Our team will be on-hand to support you during the entire process and help you, that your business meets the following requirements.

QUALIFYING REQUIREMENTS

To qualify for the investment program, under the rules of federal self-employed program § 21 German residence act, these are following requirements one must have:

- Fulfil the needs of Germany
- Have a beneficial economic impact
- Be fully covered by the own capital of the client or bank loan

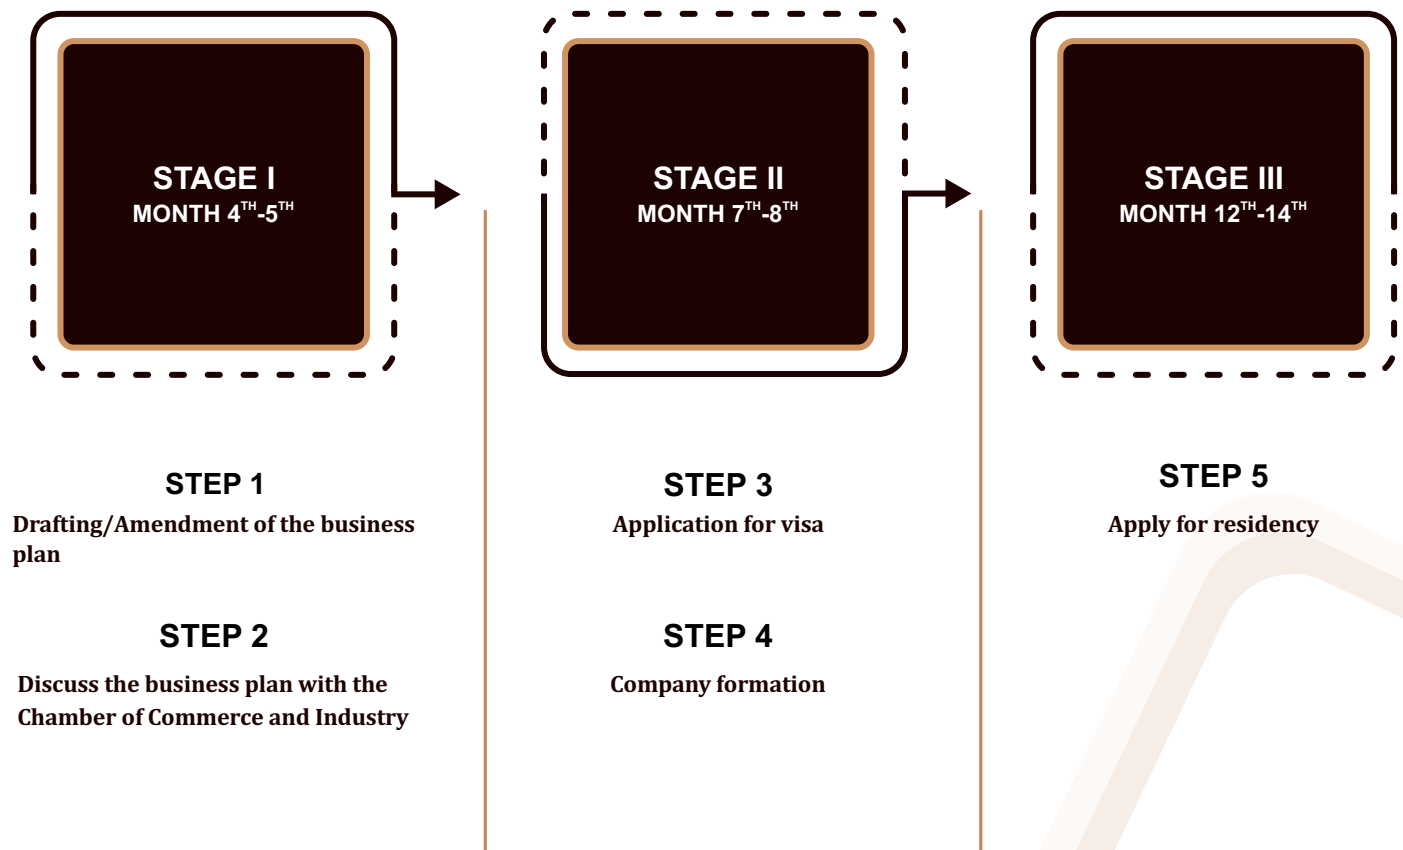

To ensure the sustainability of the business project, the following criteria will also be taken into account:

- Viability of the business plan
- Relevant business experience
- Impact of the business project on employment and skills
- Contribution of the project to innovation and research
